Building Leaders in the Sustainable Management of **Contaminated Land and Groundwater**

We have the most active, diverse, highly skilled, committed and independent members, across Australia and New Zealand, and we want you to join us too.

Our members benefit from the unique networking and education opportunities available through our branches, events, training and communications.

We have a broad base of experienced members including land managers, planners, consultants, contractors, regulators, legal professionals, laboratory staff, researchers and academics.

Membership Types

Individual

- From \$239 (excl. GST). For Individuals engaged in the sustainable management of the contaminated land and groundwater industry.

MemberMAX

- From \$409 (excl. GST). For Individuals engaged in the sustainable management of the contaminated land and groundwater industry - Individual Membership + 6 (per 12 months of membership) free webinars and/or online branch events.

Concession

- From \$110 (excl. GST). For Emerging Professionals with less than 3 years experience, Retired and Unemployed individuals engaged in the sustainable management of the contaminated land and groundwater industry.

Student

- From \$65 (excl. GST). For Full-Time Students in any post-secondary academic undergraduate or graduate program relevant for future work in the sustainable management of contaminated land and groundwater industry. Proof of full-time enrolment is required.

Being a member allows me to keep in touch with my peers from across the sector, many of whom I have built relationships over many years.

Adrian Heggie,
ALGA Member

Our Member Community is Growing.
